Theme Nights

MSC often hosts theme nights during the cruise. These are usually not revealed until your sailing begins, however, these are the most often recurring themes.

White Night - Occurring on virtually every cruise, white night culminates with a deck party where everyone wears white.

70s Night - Another frequently occurring night, you'll find a disco type of party hosted onboard.

Tropical Night (also called Hawaiian Night or Flower Power) - Wear your most fun Hawaiian shirt

Gala/Elegant Night - This will be your formal, dress up night. Clothing will run the gamut from slacks and tops to sequined gowns, so it's hard to be out of place with whatever you choose.

Italian Night / Mediterranean Night - This is the hardest to know how to dress, on the sailings when it occurs

DO NOT hook these over the door
 - use magnets!
